Guidance/Expulsion Policy Agreement

State of Florida & Broward County / Governing Policies

At Creative Child Learning Center, we agree effective guidance should be an essential element of education at home as well as school. Self-discipline and character develop as a result of loving guidance and mutual respect. At times it becomes necessary to redirect a child in order to discourage behavior which is deemed destructive or unacceptable. We adhere to the regulations outlined by the State of Florida Department of Children and Families.

Positive redirection and PBIS (Positive Behavior Intervention System) are the main forms of discipline used at Creative Child Learning Center. When developing children's behaviors our staff make every effort to teach by encouraging and helping children to understand their choices. The PBIS helps build the classroom into a community, while teaching the children to regulate their own emotions. If a behavior cannot be redirected, then the child will be asked to regain self-control in the Safe Space. The staff will discuss the actions taken with the child and help them find a solution to the behavior then invite them to return to the activity. Time away is used only when necessary, limited to 1 minute per age of the child and only used if the child is endangering themselves and/or others. Please communicate with our staff of any changes in your child's environment that might affect their behavior. We want to work together with our families to ensure that any transition is smooth for the child, family and staff.

All Creative Child Learning Center personnel is prohibited from administering any form of discipline that is severe, humiliating, frightening or associated with food, rest or toileting. Spanking or any form of physical punishment is strictly prohibited. In situations where the behavior may be concerning Creative Child Learning Center follows a 3-step Positive Behavior Intervention System (PBIS). This 3-step process allows Creative Child Learning Center staff to see when and how the child works best and where the child has opportunities to improve. In the event that a behavior becomes a problem that cannot be corrected or if the behavior causes the children's/teacher's safety to be at risk then we reserve the right to ask parents to make alternate arrangements and dis-enroll the child from Creative Child Learning Center.

- Incidents will be documented on a #4 incident report and signed by the parent.
- Parent Teacher conference will be scheduled in order to unite insights and provide the best possible resolution.
- Child will need to be picked up from school immediately.
- Child will be suspended from school the following day.
- Child will be suspended from school for 1 week. (Parent is still responsible for tuition payment).
- In extreme cases, the family may be asked to seek alternate arrangements. (No refunds will be provided).

Creative Child Learning Center reserves the right to change or alter their policies for any reason, and if such a change is considered material in nature we will amend our policies in writing.
